# IMPORTANT SAFETY INSTRUCTIONS

## IMPORTANT SAFETY INSTRUCTIONS

This guide provides instructions for installing and using the Pallet Truck Stacker Dolly Lift. If you have any questions about the equipment, please contact XtremepowerUS.

This guide contains important information about safely installing and operating this product. After installation, make sure to share this information with the owner/operator or leave it with them for their reference.

### *Legends and Symbols*

When you come across the safety-alert symbol on your equipment or in this manual, pay attention to the following signal words and remain vigilant about the potential for personal injury.

 **DANGER:** Ignoring these hazards can result in death, severe personal injury, or significant property damage.

 **WARNING:** Indicates potential hazards that can result in severe personal injury, death, or significant property damage. Ignoring these warnings presents a real danger.

 **CAUTION:** Indicates potential hazards that can result in minor or moderate personal injury, property damage, or actions that are unpredictable and unsafe. Ignoring these cautions presents a potential hazard.

 **NOTE:** This label indicates important special instructions that are not directly related to hazards.

---

### **USE OF NON-XTREMEPOWERUS REPLACEMENT PARTS VOIDS WARRANTY**

**ATTENTION INSTALLER:** This manual contains vital information regarding the installation, operation, and safe use of this product. It is essential to provide this manual to the end user of the product. Failure to read and follow all instructions could lead to severe injuries.

---

 Failure to comply with all instructions and warnings may lead to severe bodily injury or even death. For optimal safety and functionality, it is advisable to have the product installed and serviced by a certified service professional. Prior to using this product, installers, operators, and owners must carefully review these warnings and all instructions provided in the owner's manual. It is essential to leave these warnings and the owner's manual with the owner for their reference and safety.

 For safety reasons, children should not be allowed to use this product. Packing materials and plastic bags are not toys. Keep them away from children to prevent the risk of suffocation.

# IMPORTANT SAFETY INSTRUCTIONS

## GENERAL SAFETY INFORMATION

### **⚠ DANGER**

- **Weight Limit:** Do not exceed the weight limit of 330 lbs. Overloading may result in injury or damage.
- **Avoid Riding:** Do not sit or ride in the wheelbarrow.
- **Proper Use:** Follow the manufacturer's instructions for proper use.
- **Usage Restrictions:** This item is not to be used as a step ladder or for any purpose other than its intended function.
- **Exceeding Load Capacity:** Never exceed the recommended load capacity, as overloading may cause the wheelbarrow to tip, posing serious risks.
- **Emergency Lowering:** In the event of an emergency, lower the load immediately if it is safe to do so.

### **⚠ WARNING**

- **Child Safety:** Do not allow children to use this item unsupervised.
- **Avoid Hazards:** Avoid using the wheelbarrow near sharp or hazardous objects to prevent tire damage.
- **Condition of Equipment:** Cease use if any parts are missing, broken, or worn. Ensure all repairs and replacements are made before reuse.

### **⚠ CAUTION**

- **Loading Guidelines:** Always distribute the load evenly across the surface of the tray.
- **Stable Loading:** Do not place weight on the edges of the tray, as this can cause imbalance or damage.
- **Sharp Edges:** Be cautious when handling parts that may have heavy or sharp edges.

### **★ NOTE**

- **Assembly and Maintenance:** Firmly secure all bolts, screws, and knobs before use.
- **Pre-Use Inspection:** Reconfirm that all bolts, screws, and knobs are secure every 90 days.
- **Keep these instruction for future use.**

# DISCLAIMER

## DISCLAIMER

### ***PLEASE READ THE FOLLOWING CAREFULLY***

---

The manufacturer and/or distributor have provided the parts list and assembly diagram in this manual for reference purposes only. They do not make any representation or warranty to the buyer that they are qualified to make repairs to the product or replace any parts of the product. In fact, the manufacturer and/or distributor expressly state that all repairs and parts replacements should be undertaken by certified and licensed technicians, and not by the buyer.

The buyer assumes all risk and liability arising from their repairs to the original product or replacement parts or arising from their installation of replacement parts. It is strongly advised that qualified professionals handle any repairs or replacements to ensure safety and proper functioning of the product. Improper installation and operation may result in injury, property damage, or voiding of warranty. The manufacturer and/or distributor shall not be held responsible for any accidents, damages, or malfunctions resulting from the buyer's installation and operation of the product. It is essential to follow all safety guidelines and recommendations provided in this manual and to seek professional assistance if unsure about the installation or operation procedures.
